## Walt Huder, Electrical Estimator/Project Manager

With a 15 year record of success overseeing all phases of multimillion dollar electrical construction infrastructure and security projects for government and private-sector clients, Mr. Huder's experience includes managing crews in commercial construction, retail, security initiatives and a variety of other construction/telecommunication projects. Walt has successfully managed several projects in the Electrical, Health Care, Security and Telecommunications fields, including projects at the Philadelphia Eagles Stadium, PA Convention Center Expansion, and the National Jewish Museum.
